Duration of tour: 12 hours

oThe Tour

Take a one of a kind trip on board the "Bo Hengy", a 177-passenger air-conditioned catamaran capable of cruising at 40 miles per hour to Harbour Island and 300-year old Dunmore Town. With its picturesque colorful clapboard houses, colonial charm and genuine friendly people, Harbour Island has become an Out-Island hotspot loved by locals and tourists alike. The speed is 35 knots (40 miles) per hour and, it is the only waterborne experience of its kind in The Bahamas. Guests are picked up from their hotel and driven to the Potters Cay Ferry Terminal, where they will board the Bo Hengy for a picturesque 2 hour and 45 minute trip to Harbour Island. Departure time from Nassau is 8:00am! Enjoy scenic views of Paradise Island, Rose Island, Pimlico Island, Current Island, Spanish Wells, and North Eleuthera. On arrival in Harbour Island you will be taken on an escorted Golf Cart tour of picturesque Dunmore Town, with its beautiful colonial style wooden houses. Visit various points of historical interest and view the houses of the rich and famous. An authentic Bahamian lunch is served for guests on the Day Away at one of three restaurants, including Baretts Seashell Inn and the Harbour Lounge. Afterwards, guests have free time to either enjoy the fantastic pink sand beach or to do some more exploring on their own. If you wish to keep it until your return (which we recommend), there is a surcharge payable to the golf cart rental agent on arrival.
