oThe Tour

Your La Paz adventure will start in the very heart of this incredible city, at Plaza Murillo. We'll make a stop here to try a traditional, tasty Bolivian snack. We'll head towards San Pedro Prison. Your guide will give you the lowdown on what makes this prison so famous. We'll stroll past the prison walls (it's completely safe!) then head towards several local markets, places where Bolivian culture really comes alive. Learn about the staple foods of Bolivia. As we continue to tour La Paz, we'll also head towards a local fruit market to taste freshly-picked organic fruit. Next up, we'll hop into some public transport and journey up into the outer heights of La Paz. We'll reach a spectacular scenic viewpoint, where you can see across the city of La Paz from above. We'll jump back in our transport, and journey down to the Witches Market, another classic La Paz neighbourhood. Here you can discover the myths and legends of Bolivia, from spooky voodoo to everything you need to know about the coca leaf. You'll even find some very interesting Bolivian aphrodisiacs! Have your fortune told by a Shaman who specialises in coca leaf readings, and walk around these magical markets, finding all kinds of potions and odd cures. On our way back to downtown, we'll take a short stop off at another market, where locals buy their day-to-day goods. We'll arrive back at Plaza Murillo between 12 and 1pm, depending on the traffic (which can be crazy in La Paz!) and the pace of our group.
