## Sightseeing Information

### Hop on Hop off City Sightseeing

Paphos, Cyprus

A Hop-on Hop-off sightseeing tour of Paphos, one of the most popular destinations in the Mediterranean

#### oThe Tour

The popular Mediterranean destination of Paphos has plenty to offer, from castles and tombs of ancient nobles to the famous St. Paul's Pillar and gorgeous sandy beaches. If you wish to take advantage of Paphos' beautiful beaches and hot climate, then be sure to spend time in the harbour area with its soft sand and deep blue waters which are ideal for water sports. Nearby is the medieval harbourside fort where you can enjoy stunning views and discover more of Paphos' rich history. Take the bus tour to the Archaeological Museum which houses a collection of Cypriot antiquities, covering the Neolithic Age, Middle Ages, Bronze Age and Roman periods. Visit the Tombs of the Kings - a vast burial ground carved out of solid rock which dates back to the fourth century BC. The site is thought to have been the burial ground of Paphitic aristocrats and high officials - the name comes from the magnificence of the tombs; no kings were in fact buried here. Let City Sightseeing highlight all there is to see and do during your stay, with conveniently located stops along the route which allow you to hop on and off at your leisure.
