Floating Market and Kanchanaburi

Bangkok, Thailand

Combined visit to the famous floating market and the wartime sights of Kanchanaburi city.

Duration of tour: 11 hours

oThe Tour

Depart for Ratchaburi province and Damnernsaduak floating market. On arrival at Damnernsaduak, take a boat trip along the canals where farmers from the surrounding district, paddle and peddle their produce fresh from the soil to the market wharf. Continue to Kanchanaburi for lunch. The province will be associated with the Bridge on the River Kwai and the 'Death Railway' constructed by POW labour through Thailand to Burma. Visit the eponymous bridge, reconstructed after its bombardment by Allied forces, and the JEATH Museum located on the grounds of a Wat, giving an insight into the daily grind for prisoners working in a jungle under an unforgiving tropical sun. Visit the Donrak War Cemetery, maintained by the Commonwealth War Graves Commission before returning to Bangkok.
